

AMENDMENTS TO THE CLAIMS

1. (Original) Composition comprising, in combination:
 - (a) at least one marrow oil, and
 - (b) at least one borage oil.
2. (Original) Composition according to Claim 1, characterized in that it also comprises at least one compound chosen from a nettle extract (c) and a soybean extract (d).
3. (Original) Composition according to Claim 1 or 2, characterized in that the marrow oil (a) is an oil extracted from marrow pips and/or the borage oil (b) is an oil extracted from borage seeds.
4. (Currently amended) Composition according to ~~any one of Claims 1 to 3~~, Claim 1, characterized in that the nettle extract (c) is an extract of nettle roots, advantageously in powder form.
5. (Currently amended) Composition according to ~~any one of Claims 1 to 4~~, Claim 1, characterized in that the soybean extract (d) is soybean lecithin or an isoflavone-rich extract, advantageously in powder form.
6. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, characterized in that the marrow oil (a) is present in a concentration of between 20% and 40% and advantageously between 25% and 35% by weight relative to the total weight of the composition.
7. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, characterized in that the borage oil (b) is present in a concentration of between 10% and 30% and advantageously between 15% and 30% by weight relative to the total weight of the composition.

8. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, characterized in that the nettle extract (c) is present in a concentration of between 0 and 60% and advantageously between 35% and 55% by weight relative to the total weight of the composition.

9. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, characterized in that the soybean extract (d) is present in a concentration of between 0 and 10% and advantageously between 0 and 5% by weight relative to the total weight of the composition.

10. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, characterized in that the composition is formulated for oral administration.

11. (Original) Composition according to Claim 10, characterized in that the composition is in the form of a wafer capsule, a gel capsule, a tablet, a granule, a chewing paste, a gum, an oil or an oily jelly.

12. (Original) Composition according to Claim 10, characterized in that the composition is a food composition or a food supplement.

13. (Currently amended) Composition according to ~~any one of Claims 1 to 9~~, Claim 1, characterized in that the composition is formulated for topical or rectal administration.

14. (Currently amended) Composition according to ~~any one of Claims 4 to 13~~, Claim 4, characterized in that it can be obtained according to the process comprising the maceration of the nettle powder (c) in a mixture of marrow oil (a) and borage oil (b), to which soybean lecithin is optionally added.

Application No.: Not Yet Assigned

Docket No.: 3493-0147PUS1

15. (Currently amended) Composition according to ~~any one of the preceding claims~~, Claim 1, for its use as a medicinal product, as a dermatological or dermocosmetic agent, or as a nutraceutical agent.

16. (Original) Composition according to Claim 15, for its use in the prevention or treatment of alopecia, acne, hirsutism, seborrhoea or body odour.
